

YOUR CHILD'S 2ND GRADE TEACHER COULD BE A MAN ONE DAY AND SHOW UP AS A WOMAN THE NEXT!

Here is the proposed definition of "sexual orientation". Read it carefully.

Sexual orientation means actual or perceived heterosexuality, homosexuality, bisexuality or gender expression or identity. As used in this definition, "gender expression or identity" means having or being perceived as having a self-image, appearance, or behavior different from that traditionally associated with the sex assigned to that person at birth.

Notice they include "gender expression" and further define it to include "appearance" and "behavior different from traditional" which legally can mean anything. This is the danger of this ordinance. It means that you will have to put up with any ones behavior even bizarre behavior with this wording, nothing is excluded. "Appearance" means that a man who teaches in a public school could under this ordinance come to the class room dressed in "drag" (as a woman) and tell the kids I am no longer Jack but Jane. Under this ordinance nothing could be done. This is poor public policy.
